As Christmas and the New Year approach, may your days hold a little peace, a little warmth, and the joy of knowing you belong to a caring community.

This issue brings plenty to enjoy. Our friend, Martin Lingard, offers up two excellent festive starters — a rich Chicken Liver Pâté and a comforting Celeriac & Apple Soup — perfect for those moments when you want to impress without creating kitchen chaos. A heartfelt thank you to all the local businesses in our directory. They keep our homes warm, mend what needs mending, deliver what needs delivering, and help us through the everyday. Supporting them strengthens our whole community — and makes living here feel that little bit more special.

Sue Ryder Christmas Treecycling Airedale

National healthcare charity Sue Ryder is inviting residents to participate in their Christmas Treecycling scheme to help raise much-needed money for families in need of palliative and bereavement care.

With an optional donation to Sue Ryder, a team of friendly, reliable volunteers will collect your real Christmas tree directly from your front door, garden, or driveway and recycle it.

As part of Christmas Treecycling, residents in Airedale within the BD20, BD21 and BD22 postcodes can have their trees collected between 6–19 January 2026.

Your real Christmas tree will be recycled into compost or wood chippings, which will be used in local parks and woodlands or to generate green energy.

To learn more about this eco-friendly fundraising initiative in Airedale — kindly sponsored by Beyondly and supported by Skipton Self Drive, Keighley Tree Services and YFC — and to reserve a collection by midday on 4 January 2026,

Chicken Liver Pâté Ingredients

250g chicken livers 250g unsalted butter 2 tbsp brandy

2 garlic cloves, crushed

 $\frac{1}{2}$ tsp mixed spice

2 tsp chopped fresh thyme leaves

2 tsp mustard powder

Sea salt, Freshly ground black pepper

Method

Melt 50g of the butter over a medium heat in a sauté pan.

Add the chicken livers and fry gently for about 5 minutes, stirring regularly, until just cooked through.

Transfer the livers to a blender or food processor using a slotted spoon.

Pour the brandy into the hot pan and let it bubble for a few seconds, scraping up any caramelised bits. Add 150g of butter and the garlic, and cook until the butter is foaming. Pour this mixture into the blender. Add the mixed spice, mustard powder and thyme, then season well with salt and black pepper.

Blend until completely smooth, then pour into a suitably sized earthenware pot or dish.

Melt the remaining butter and pour it over the surface of the pâté to seal.

Once cool, cover and chill in the fridge for up to two days. Serve with hot buttered toast and pickled gherkins.

Celeriac and Apple Soup

(Use olive oil and vegetable stock instead of butter and chicken stock for a vegan version.)

Ingredients

75g butter, or 2 tbsp olive oil

I large Spanish onion, chopped

2 garlic cloves, peeled and crushed

I large celeriac, peeled and cut into large dice

I large potato, peeled and cut into large dice

I large carrot, peeled and sliced

3–4 red dessert apples, peeled, cored and sliced

2 dried bay leaves

2 tsp chopped thyme leaves Sea salt & Freshly ground black pepper

1.5 litres chicken or vegetable stock

Freshly chopped parsley

A couple of dollops of crème fraîche or soured cream

Method

Melt the butter (or heat the oil) in a large pot over a medium heat. Add the onion and garlic and cook gently, stirring occasionally, until soft but not coloured.

Add the celeriac, potato, carrot and apples. Cook over a medium-low heat for about 15 minutes, stirring occasionally to prevent sticking or browning.

Add the bay leaves and thyme, season with salt and pepper, and cook for another couple of minutes.

Pour in the stock, bring to a gentle simmer, cover and cook for 30 minutes.

Remove the bay leaves and blend the soup until smooth with a hand-held stick blender.

Check the seasoning and add a little hot water if needed to adjust the consistency.

Serve with a spoonful of crème fraîche and a scattering of chopped parsley.

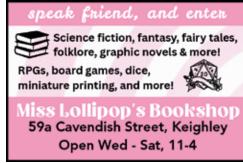

Enjoy!

Within his 23 years of experience, Matt has changed the lives and smiles of many, some of which are during one day implant immediate loading cases, and same day smiles, which he specialises in. The regular accolades received from clients and patients alike are testament to his passion for his work. Matt has a keen eye for detail and endeavours to provide the best care possible. Matthew completed his dental technology qualification at Leeds Dental institute, he finished first in his class achieving distinctions throughout and was awarded overall best student and the acclaimed technical achievement award.

How can we help you?

Technology has moved on massively over the last few tears as far as dentures are concerned. The fact is, you don't have to suffer badly designed or ill fitting dentures anymore.

However, replacing your teeth is more than trusting someone with your smile. Your appearance and the way people perceive you is also at stake.

Matt creates dentures which can offer the dual effect of restoring your smile and correcting the proportions of your face.

He can add volume to your lower face and upper lip region to achieve a more natural, youthful look. Everyone is different, so your dentures are influenced by your age, personality and gender to ensure they look perfectly natural. Matt will discuss your individual needs and the best choices available before providing you with the information you require to determine what is right for you.

The smallest alteration can make the biggest change and Matt is committed to providing the highest level of care, quality materials and the latest digital technology to achieve the best results for you.

Matt's ambition is also his craft, creating lifelike smiles through dentures and implant supported prosthesis.

Everybody has the right to smile!

Would you like to be more confident? Do you suffer from denture discomfort? Loose or ill-fitting dentures? Afraid to smile?

With our clinical denture expert Matthew Varley, who has restored thousands of smiles - you're sure to feel more confident and be you again.

From Frustration to Clarity

One of our lovely transformation cases. Patient LS struggled for years. Aesthetics were compromised along with facial support looking very strained. With our Diamond range of dentures, aesthetics were restored with full facial support in the correct position.

BEHIND THE SCENES AT THE MUSEUM

As 2025 starts to come to a close, I'm looking back on some of the highlights of the year. I started my role as Marketing and Development Officer at the Brontë Parsonage Museum in March this year, and so much has happened in such a short time! Not long after I started at the Museum, we had the exciting delivery of The North Wind, an 1842 watercolour painting by Emily Brontë from her time in Brussels. Being in the Parsonage library when The North Wind was unwrapped was an unforgettable experience, although the painting wasn't painted in Haworth it felt almost like a homecoming and I was surprised to find that it was quite an emotional experience. There was a hush as Ann Dinsdale, our Principal Curator, peeled back the final protective layer, followed by lots of 'oohs' and 'aahs' as we saw, for the first time in person, the still vibrant colours of the painting. I'm looking forward to seeing The North Wind on display for the first time in 2026.

Another highlight for me was the loan of the Emily Brontë portrait from the National Portrait Gallery. Painted by Branwell Brontë, and originally part of a large group painting, this truly was a homecoming and to see the portrait in its original home was incredible. Before the Museum opened, and before the crowds, I thought I would sneak off into the exhibition space to have a quiet moment, only to find that several of my colleagues had the same idea!

Even though I've been reflecting on the year, we do still have some really exciting events coming up! Join us online on Thursday 18 December for The Brontë Lounge with Eleanor Houghton, where we'll discuss the

inspiration behind Eleanor's upcoming book, Charlotte Brontë's Life Through Clothes, which turns to the gowns, bonnets, corsets, boots, and mittens in Charlotte's wardrobe for clues about the famous author's life. Then on Friday 19 December you can join us inperson for Parsonage Unwrapped: Treasures of the Collection which includes a session in the library to see unique Brontë items close up, and an exclusive private view of the Parsonage after hours.

In 2026 we'll be back with a whole new programme of events, and although we can't reveal too much just now, I can assure you that there will be something for everyone to look forward to. From all of us at the Brontë Parsonage Museum, we hope you have a merry Christmas, and we'll see you in the new year! ~ Hayley Pink

Warm Christmas Wishes & Reflections from Robbie Moore MP

As the Christmas period draws ever closer and we look ahead toward a new year, I want to send my warmest festive wishes

to every household across our area. Christmas is a time for reflection, togetherness, family and gratitude - and looking back on 2025, there is much to reflect on.

One of the defining issues of the year for our area has been the fight to safeguard the beautiful and historic

moorlands above Haworth from the proposed Calderdale Energy Park. This land, part of Brontë Country, massively enriches our tourism and local economy and must be protected at all costs. Building a vast industrial development on one of the most sensitive and ecologically precious landscapes in the country is, to me, vandalism masquerading as environmentalism. That is why I have been incredibly proud to work with residents, campaigners and local groups from across the political spectrum - including the Stronger Together To Stop Calderdale Windfarm Group – to ensure that the voices of our residents are heard loud and clear.

This year also deepens my work with farmers across the country and I was also honoured to be asked to serve as a Vice President of the Worth Valley Young

Farmers. Growing up in farming undoubtedly shaped my life and everything I do today, so I know how hard it can be. Our farms are not simply businesses, but the backbone of the countryside and the bedrock of our nation's food security. That is why I will continue to lead from the front in opposing the government's destructive Family Farm Tax, a proposal that risks forcing hard-working farming families to sell-up and threatens the livelihoods of farmers who have been farming for generations.

Another
key focus
for 2025
was the
ongoing
effort to
tackle child
sexual
exploitation

grooming gangs, an issue that has devastated the lives of many young girls in our town, the Bradford District and across the country. Whilst we have managed to secure a full national inquiry, we still do not have confirmation that our District will receive proper scrutiny. That is why I am currently working with brave survivors like Fiona Goddard to secure that focus on our area and bring these women justice.

This
year also
brought
the sad
loss of
one of
our community's

most dedicated campaigners: Councillor Russell Brown. Russell was committed public servant known for his kindness, integrity and unwavering dedication to the people he represented. He cared deeply for his community and worked tirelessly for it. His presence will be missed enormously, not only by those closest to him but by the many residents whose lives he improved through his work. Christmas is a time when the loss of loved ones is felt more strongly, and I want to extend my deepest condolences to all who knew him.

As we enter 2026, there will undoubtedly be new challenges, but we will face them together as a community and we have proven time and time again that we can rise to any occasion.

Rest assured whatever happens, I will continue to be put in all of my energy to continue being your voice in Westminster

and ensure Keighley and the Worth Valley is never overlooked.

On behalf of myself and my team, may I wish you a very Merry Christmas and a prosperous and positive New Year.

Yorkshire Loft Ladders, Quality You Can Trust

These days most homeowners suffer from a lack of storage space. So many precious items that need to be kept - but where to store it all? That's where Yorkshire Loft Ladders come in. The company, based locally, offers homeowners the opportunity to maximise their storage space with a loft ladder, 50 sq ft of boarding and a light all fully fitted in less than a day from just £277 + VAT. But it's not just the affordability of the package the company offers that makes Yorkshire Loft Ladders stand out as manager Mark Hodson explains: 'Our watchwords are Quality,

Integrity and Value. Quality in the materials that we use for all our installations and the fact that all our loft packages are fitted by time served tradesman so our customers are assured of the best job. Integrity in that we will tum up at the time we say and make sure the house is spotless when we leave, and Value in that we offer our services at a price people can afford. Our business relies on referrals and we get a huge

amount of our calls from people who have been referred to us by our existing customers - that simply wouldn't happen if we didn't adhere to our overriding principles.

At the end of the day the old adage that happy customers lead to more happy customers is true and we work hard to make that happen for every installation we carry out!'

So, if you want to make use of your loft space, however big or small, call Warren on 0800

and he'll be happy to pop round and give you a no obligation quote so you too can make use of your loft.
