Our community pages are brimming with ways to make the most of What's On in the District... and how to enjoy the summer sunshine (or rain!). Dial up your fun and local engagement – getting out, meeting new folk, and joining in with friends and family are great ways to boost your wellbeing.

Our friends at Steels of Addingham have put together some lovely Summer Tours – you can find out more on page 25.

As ever, thank you for supporting the local businesses, services, and organisations featured in the magazine. Your continued patronage is appreciated, and we always welcome your feedback.

All the best, Liz

Skate with Black Butter

Ingredients

(serves 4)
 2 x skate wings, approximately 500g each, skinned
 4 tablespoons of white wine vinegar
 1 teaspoon of salt
 150g unsalted butter
 50ml red wine vinegar
 1 tablespoon capers, drained and rinsed
 1 tablespoon chopped parsley

Method

Pour enough cold water into your pot so there will be enough to just

cover the skate wings by a few

centimetres. Tip in the white wine vinegar and the salt and bring to a gentle simmer.

Gently slide in both skate wings and gently poach for around 15 minutes until tender.

Drain and carefully remove both wings to a warmed serving dish, cover loosely with foil to keep them warm.

Now, working quickly, melt your butter over a medium to high heat in a frying pan. Pay close attention.

You're waiting for the butter to melt and start to foam. Once foaming, it should start to smell a bit nutty or toasty, and start to darken. Be careful, dependent on how hot you've got your pan, this can happen very quickly!

As soon as it gets a nice golden colour, quickly pour in the red wine vinegar and stir. Now chuck in your parsley and capers, stirring, bring back to a simmer then tip everything over both skate wings and serve immediately. **Enjoy!**

by Martin Lingard

This is probably my favourite fish dish and it is dead easy to make. Skate isn't as readily available since the big supermarkets put a lot of fishmongers out of business. I go to Albion Street in Halifax on the outside of the market where there are two stalls next-door to each other. There's also a good one on the High Street in Skipton. Skate wings are a lot cheaper than cod or haddock now. People who are put off fish by the bones will love this recipe too as the meat just slides off the cartilage; no bones!

Two skate wings, approximately 500g each will easily feed four people.

I like to serve this with plain boiled new potatoes and green beans.

You will need a large pan that will easily accommodate both skate wings together.

Usually when I talk about the summer, it is as we are all sheltering from the wind and rain with it feeling more like winter making it very difficult to imagine that the sun is coming... well this year has turned it all on its head. We've enjoyed a fabulous 1940s weekend in blazing sunshine, with this being the first year we took on the organisation of the event after there was no 2024 event. It's been a different and very successful weekend and seemed to meet the need of taking the pressure of Haworth village, which was previously overwhelmed with the volume of traffic and activities in the park.

Whilst the lovely weather is welcome, it does make running steam locomotives very challenging, so you will have seen us bringing in some heritage diesel traction. With a couple of bank holiday weekends in May, and people getting out the BBQs in their gardens as the warm weather looks settled, the likelihood of rain increases significantly, so hopefully normal service will be resumed shortly.

With the summer months approaching, we get closer to the start of the Railway's contribution to the Bradford 2025 City of Culture celebration when we will see The Railway Children live show performed at Oxenhope. Tickets and full details are available from the Bradford 2025 website.

It will be an amazing opportunity to see the show at the home of The Railway Children. As well as the stage show, we are running our usual heritage train service over the holiday period, so you can still enjoy a journey on the line and make the most of your local residents' railcard which offers a significant discount on ordinary timetables services for those of you living in BD20/21/22 postcodes.

To make all this happen takes hours and hours of planning and work behind the scenes. We have dozens of people focusing on restoration and maintenance of our carriage and locomotive fleet, as well as the stations, railway infrastructure and other buildings. Then we have the teams beavering away to plan the events for this and future years, as well as the back-office functions needed to keep the wheels turning on the complex functions necessary to run the Railway. As ever, we are always keen to welcome new people to the volunteering team and full details of how to apply are on the website, as well as timetables and information on the local residents' railcard scheme.

With so much to see and do, I hope that we can welcome you on board soon.

~ **Matt Stroh**

Denture Problems Look no further...

Who are we?

Our Keighley Denture Expert is Matthew Varley (Dip CDT RCS)

Matthew Varley is the partner and Managing Director of My Denture

Clinics, here he works as a Clinical Dental Technician (Dip CDT RCS).

Matt was born and raised in Pudsey, where he met his wife Angela Varley at school. They have 2 sons; Ray and Austin, he hopes one day they will follow him into the dental profession and share in his passion for dentistry.

Within his 23 years of experience, Matt has changed the lives and smiles of many, some of which are during one day implant immediate loading cases, and same day smiles, which he specialises in. The regular accolades received from clients and patients alike are testament to his passion for his work. Matt has a keen eye for detail and endeavours to provide the best care possible. Matthew completed his dental technology qualification at Leeds Dental Institute, he finished first in his class achieving distinctions throughout and was awarded overall best student and the acclaimed technical achievement award.

Matthew Varley started his journey as a Registered Dental Technician (RDT), however after 23 years experience working as a RDT in highly acclaimed laboratories, Matt made the decision in 2018 to set up his own business alongside fellow business partner Joseph O'Reilly.

Matt also returned to university to further his dental knowledge and become a Clinical Dental Technician, receiving the prestigious royal college of surgeons (Dip CDT RCS).

How can we help you?

Technology has moved on massively over the last few years as far as dentures are concerned. The fact is, **you don't have to suffer badly designed or ill fitting dentures anymore.**

However, replacing your teeth is more than trusting someone with your smile. Your appearance and the way people perceive you is also at stake.

Matt creates dentures which can offer the dual effect of restoring your smile and correcting the proportions of your face.

He can add volume to your lower face and upper lip region to achieve a more natural, youthful look. Everyone is different, so your dentures are influenced by your age, personality and gender to ensure they look perfectly natural. Matt will discuss your individual needs and the best choices available before providing you with the information you require to determine what is right for you.

The smallest alteration can make the biggest change and Matt is committed to providing the highest level of care, quality materials and the latest digital technology to achieve the best results for you.

Matt's ambition is also his craft, creating lifelike smiles through dentures and implant supported prosthesis.

Everybody has the right to smile!

*Would you like to be more confident?
Do you suffer from denture discomfort?
Loose or ill-fitting dentures?
Afraid to smile?*

With our clinical denture expert Matthew Varley, who has restored thousands of smiles - you're sure to feel more confident and be you again.

From Frustration to Clarity

One of our lovely transformation cases. Patient LS struggled for years. Aesthetics were compromised along with facial support looking very strained. With our Diamond range of dentures, aesthetics were restored with full facial support in the correct position.

"I have finally got my confidence back, I never imagined I could smile like this. Thank you My Denture Clinic"

Dear Old Dad: A Nod, a Nudge, and a Nice Day Out

by Liz Barker

Let's face it, Dads are a curious species. Many can rewire a plug, reverse a trailer, and fall asleep during any film longer than 15 minutes. And while they may not say much, they've been known to offer sage advice such as "Ask your mum" or "That'll need a good coat of varnish."

Father's Day (Sunday, 15th June this year) is a perfect excuse to spoil the man who once taught you how to ride a bike and then quietly muttered something about his back for three days afterwards.

Stuck for ideas beyond the usual socks and suspiciously labelled "World's Best Dad" mugs? Here are a few local ways to celebrate:

1. Steam and Cream:

Take him to the Emsay & Bolton Abbey Steam Railway for a ride through the Dales with the option of a Cream Tea at The Abbey Tea Rooms. Nostalgia, soot, and snacks: the holy trinity of Dad-dom. And how lovely, you can bring the dog along!

boltonabbey.com
emsayboltonabbeyrailway.org.uk

2. Saunter to a Sunday Roast with a View

at The Wuthering Heights Inn, Stanbury. Dad gets his meat and gravy, and a proper pint of ale, and the family gets scenery (and hopefully no rain). Be sure to book ahead!

thewutheringheights.co.uk 01535 643332

3. Tinker Time:

Is your Dad more of a 'man in the shed'? Check out the **Keighley Model Railway's Summer Open Day, June 22nd.** **keighley-mrc.org.uk** or Garden Centre Browsing – Hear us out: many local garden centres now come with excellent cafés, plant sales, and shed envy galore. Perfect for the green-fingered gent or anyone who just likes to potter. Drop into Woodbank Garden Centre

woodbanknurseries.com. He'll be in tinker time heaven.

4. Walk This Way:

Suggest a gentle hike around Malham Cove or a circular stroll near Haworth. Bonus points for a pub detour and no stile-climbing required. **ostrichtrails.com**

https://bradford2025.co.uk

5. DIY-Free Day:

Ban all talk of gutters, lawns, and loose tiles. This is his day off. Replace 'to-do lists' with a cup of tea, a slice of cake, and the sports section.

6. "How Much?"

This classic Personalised Dad's Sayings Print can be purchased online at **www.modocreative.com**

or pop in to their shop, Modo on Haworth Main Street, to choose from a host of fun and locally crafted gifts.

Whether you spoil him rotten or simply sit down together for a brew and a natter, Father's Day is a chance to say, **Thanks Dad. We noticed.** Whatever you choose, remember, Father's Day isn't about grand gestures. It's about appreciation, a bit of fun, and maybe giving Dad control of the remote... just for one day.

BEHIND THE SCENES AT THE MUSEUM

This June at the **Brontë Parsonage Museum** we're celebrating the birth of the enigmatic **Branwell Brontë**, with three opportunities to get to know the often-overshadowed brother of the Brontë family. On **Thursday 19 June**, we will be looking at the first Victorian era biographies of Branwell Brontë, in particular those by Elizabeth Gaskell and Francis A Leyland. This talk, held by PhD student and Brontë Parsonage Museum volunteer **Rose Dawn Gant**, will take place in the **Old School Room on Church Street at 2pm and is free for local residents**. If you can't make the talk in-person it will be **repeated online via Zoom at 7.30pm**.

Dr. Dean De La Motte, author of *Oblivion: The Lost Diaries of Branwell Brontë*, will be hosting this month's **Brontë Lounge, on Branwell's birthday Thursday 26 June at 7.30pm, via Zoom**. Then, on **Friday 27 June**, discover the man behind the myths at a special edition of **Parsonage Unwrapped: Celebrating Branwell Brontë**. Take an up-close look at the items in our collection that tell the tragic, but fascinating tale of the Brontë sisters' only brother.

Also in June, spend a mindful day with yoga teacher, poet and author **Emma Connally-Barklem at the Brontë-inspired Writing, Hope and Wellness Day**. Plus, we're thrilled to be included in **Bradford on Foot**, as part of Bradford's year as City of Culture. **The Haworth Heritage walk starts at the Brontë Parsonage Museum and is a 3-mile walk through two centuries of Haworth history**.

Over the summer you can join us for guided walks, led by members of the Brontë Parsonage Museum team. You can book your tickets for all of these events and more at **www.bronte.org.uk/whats-on**.

Finally, now that our new visitor toilets are open, we're fundraising to cover the costs of landscaping and brightening up the surrounding area by planting lush greenery and bright flowers. Not only will this help the facilities blend in with the iconic Yorkshire landscape beyond, it'll also support our local biodiversity by encouraging wildlife to thrive! If you'd like to support our campaign, visit **bronte.org.uk/donate/help-our-garden-bloom**.

LOFT LADDERS

Yorkshire Loft Ladders, Quality You Can Trust

These days most homeowners suffer from a lack of storage space. So many precious items that need to be kept - but where to store it all? That's where Yorkshire Loft Ladders come in. The company, based locally, offers homeowners the opportunity to maximise their storage space with a loft ladder, 50 sq ft of boarding and a light all fully fitted in less than a day from just £277 +VAT. But it's not just the affordability of the package the company offers that makes Yorkshire Loft Ladders stand out as manager Mark Hodson explains: 'Our watchwords are Quality, Integrity and Value. Quality in the materials that we use for all our installations and the fact that all our loft packages are fitted by time served tradesman so our customers are assured of the best job. Integrity in that we will turn up at the time we say and make sure the house is spotless when we leave, and Value in that we offer our services at a price people can afford. Our business relies on referrals and we get a huge

amount of our calls from people who have been referred to us by our existing customers - that simply wouldn't happen if we didn't adhere to our overriding principles.

At the end of the day the old adage that happy customers lead to more happy customers is true and we work hard to make that happen for every installation we carry out!

So, if you want to make use of your loft space, however big or small, call Warren on 0800 612 8359 and he'll be happy to pop round and give you a no obligation quote so you too can make use of your loft.
