# DREAM DOORS

Transforming Kitchens with Personal Touches and Sustainability

At Dream Doors Keighley, we're proud to bring more than just kitchen makeovers to our community—we deliver personalised experiences that turn dreams into reality. Owned and operated by husband-and-wife team David and Phaedra, our showroom covers the entire BD postcode area and is built on a foundation of exceptional customer service and high-quality craftsmanship.

David brings over 40 years of experience in the timber products industry, including seven years at Magnet, while Phaedra boasts 35 years in customer service roles. Her love for travel and past experience as a first-class cabin crew member informs her commitment to providing a top-tier, personable experience. The duo, who have lived in the area for more than 20 years, have combined their expertise and passion for the local community to open their

Keighley showroom in November 2023.

Our approach is **friendly and personable**. Phaedra enjoys meeting customers in the showroom, guiding them through the process of choosing the perfect designs, colors, and styles. David loves visiting customers' homes, especially getting to know the wonderful people—and their dogs—of Yorkshire. Their commitment to personal service is complemented by their team of local, experienced kitchen fitters and Gas Safe engineers.

Dream Doors is a **trusted brand** with over 90 showrooms nationwide, providing inspirational kitchen transformations since 1999. We offer kitchen makeovers and full new kitchen installations, using top-tier brands like Neff, Bosch, and Samsung. Whether you're looking for a minor refresh or a complete overhaul, a typical makeover can be completed in just 2 to 5 days, saving you both time and money.

**Sustainability** is at the heart of our business. We encourage customers to reuse existing cabinets that are in good

condition and replace only the doors and drawers. Our **eco-conscious** approach ensures that all old parts are disposed of responsibly, minimizing our environmental footprint.

At Dream Doors Keighley, we don't just install kitchens—we **create spaces where memories are made**, with care and quality at every step. Visit us and start your journey to a dream kitchen today.

Joe and Emma  
from Typical Type

Wow, what a whirlwind this summer has been! After purchasing Typical Type in October 2023, we've been on quite the journey, navigating our way through some of the most historic and beautiful wedding venues in the North of England. At Typical Type, we specialize in providing unique furniture and stunning lighting displays for weddings and events. With August being our peak wedding season, it's been all hands on deck as we've traveled from dance studios in Hull to breweries in Liverpool, and of course, the stunning Middleton Lodge Estate in Richmond. We're also fortunate to work with wonderful local venues closer to home here in Keighley, including the ever-supportive East Riddlesden Hall, who have been incredible partners over the past 10 months.

Before diving into the wedding and events industry, I (Joe) worked at the Bolton Abbey Estate in the forestry department, while Emma works in the public sector and helps out with the business on weekends. Although both of our jobs are a bit different from the world of weddings, we've been involved with the Worth

Valley Young Farmers Marquee business for over 10 years. It's been an eye-opening experience, giving us both a taste of the excitement (and occasional stress!) of working in events. On that note, we're now taking marquee bookings for 2025 and 2026—feel free to email us below and we'll be happy to pass along the details.

Our inventory includes everything from Edison bulb displays (perfect for ceremony backdrops or suspended over top tables) to our signature 6ft tall light-up letters and numbers that add that unforgettable WOW factor to any event. We also have hundreds of meters of festoon and fairy lights, ideal for creating a magical atmosphere both indoors and outdoors. If you're planning an event, big or small, for 2024 or 2025, we'd love to hear

from you. Drop us an email at the address below and we'll be happy to provide a quote. Thanks for all your support!

Warm regards, Joe & Emma

This time of year is when we usually get to breathe a sigh of relief as we wind down from the period of 7 days per week operation and revert to running at weekends and school holidays. However, this year is very different because, in September, we will be undertaking our most complex and ambitious civil engineering project since we reopened the Railway back in 1968 with the replacement of "Bridge 27". The bridge in question takes the main line over Bridgehouse Beck, just beyond the Bridgehouse Lane road bridge. The preparatory work on site has been ongoing for many months, and the behind-the-scenes planning has been in train for a very long time, as you would expect for a project of this scale. You may well have seen the activity on the piling process, which provides the footings for the new bridge, and over the coming weeks, you will see a hive of activity, including the use of a very large crane that will lift the new span into place.

There will be an impact on the timetable during the work, so please do check the website for details of the special service that we will be running between Keighley and Haworth planned for 7/8 and 14/15 September when our usual operation is replaced with "The Grand Tour" timetable and activities. We thank you for your understanding and cooperation during the work, but we must maintain and replace the ageing infrastructure where necessary. We are very grateful for financial support for the work from the government's Community Ownership Fund and the Friends of the KWVR.

Whilst the bridge project is an immediate focus, we are continuing to plan our fulsome programme of events through the autumn, including our new Autumn Steam-Up on 4th-6th October, the very popular Beer & Music Festival from 17th to 20th October, and the return of the Gin Train on 26th October. We also have a series of suitably scary Halloween events planned for the end of October. I won't frighten you by giving you details here, but you can find out more on the website if you dare...

We then have our festive events, with the Elf Explorer being the one that many of us enjoy as a key part of our festive celebrations (I've bought my tickets already and hope you do the same soon to avoid disappointment because they sell out early). This year, the centerpiece services are complemented by "A Christmas Carol" service on various dates during November and December and the "Festive Flyer" on December 12th and 13th. Full details of all the festive options are on the website.

With so much going on and so much involved in running the Railway year-round, we are always on the lookout for new volunteers. Please consider joining our team of over 800 volunteers to become a part of the Railway family that keeps this important part of history operational now and for generations to come.

# Denture Problems Look no further...

## Who are we?

**Our Keighley  
Denture Expert is  
Matthew Varley  
(Dip CDT RCS)**

Matthew Varley is the partner and Managing Director of My Denture

Clinics, here he works as a Clinical Dental Technician (Dip CDT RCS).

Matt was born and raised in Pudsey, where he met his wife Angela Varley at school. They have 2 sons; Ray and Austin, he hopes one day they will follow him into the dental profession and share in his passion for dentistry.

Within his 23 years of experience, Matt has changed the lives and smiles of many, some of which are during one day implant immediate loading cases, and same day smiles, which he specialises in. The regular accolades received from clients and patients alike are testament to his passion for his work. Matt has a keen eye for detail and endeavours to provide the best care possible. Matthew completed his dental technology qualification at Leeds Dental Institute, he finished first in his class achieving distinctions throughout and was awarded overall best student and the acclaimed technical achievement award.

Matthew Varley started his journey as a Registered Dental Technician (RDT), however after 23 years experience working as a RDT in highly acclaimed laboratories, Matt made the decision in 2018 to set up his own business alongside fellow business partner Joseph O'Reilly.

Matt also returned to university to further his dental knowledge and become a Clinical Dental Technician, receiving the prestigious royal college of surgeons (Dip CDT RCS).

## How can we help you?

Technology has moved on massively over the last few years as far as dentures are concerned. The fact is, **you don't have to suffer badly designed or ill fitting dentures anymore.**

However, replacing your teeth is more than trusting someone with your smile. Your appearance and the way people perceive you is also at stake.

**Matt creates dentures which can offer the dual effect of restoring your smile and correcting the proportions of your face.**

He can add volume to your lower face and upper lip region to achieve a more natural, youthful look. Everyone is different, so your dentures are influenced by your age, personality and gender to ensure they look perfectly natural. Matt will discuss your individual needs and the best choices available before providing you with the information you require to determine what is right for you.

The smallest alteration can make the biggest change and Matt is committed to providing the highest level of care, quality materials and the latest digital technology to achieve the best results for you.

Matt's ambition is also his craft, creating lifelike smiles through dentures and implant supported prosthesis.

**Everybody has  
the right to smile!**

*Would you like to be more confident?  
Do you suffer from denture discomfort?  
Loose or ill-fitting dentures?  
Afraid to smile?*

**With our clinical denture expert Matthew Varley, who has restored thousands of smiles - you're sure to feel more confident and be you again.**

## From Frustration to Clarity

One of our lovely transformation cases. Patient LS struggled for years. Aesthetics were compromised along with facial support looking very strained. With our Diamond range of dentures, aesthetics were restored with full facial support in the correct position.

*"I have finally got my confidence back,  
I never imagined I could smile like this.

## BEHIND THE SCENES AT THE MUSEUM

Poet Maria Ferguson dishing out creative writing at last year's Poetry Takeaway Van.

"It's been great fun creating an eclectic programme with a range of writers across themes and genres with something for all ages. The three days will have us reading, writing, listening, creating, drawing, walking, stretching, and dancing – all next to the Brontë Parsonage where Haworth's famous sisters wrote their novels that still inspire us today."

**The Secret Garden... The Tale of Peter Rabbit... The Story of Tracy Beaker... Which books captured your imagination growing up?**

September's here and there's a buzz in the air – the annual **Brontë Festival of Women's Writing** is back from **Friday 20 – Sunday 22 September**, and this year's theme is **'Webs of Childhood'**.

We're looking at the stories we grow up on as children and young adults, and how our own childhoods can inspire our creativity. There'll be talks, workshops, and free family activities for all ages, and we'll be welcoming a host of fantastic speakers – including much-loved children's author, **Jacqueline Wilson!**

We've been busy behind the scenes getting everything ready – from arranging the theme and booking guests, to spreading the word throughout West Yorkshire and beyond. Programme Officer Angela Clare has been hard at work putting together a spectacular line up:

Tickets for each event are **£7 – or £45 for a Festival Weekend Pass**. We're also excited to host our free **'Words on the Street'** activities alongside the main festival. Thanks to support from Bradford Metropolitan District Council, anyone can drop in to take part in our **meadow trail, storytelling tent, and chalk art session** – and keep your eyes peeled for a pair of larger-than-life witches and some rather energetic sheep...

We've also partnered with **Bradford Libraries** to make sure all the books we're celebrating over the weekend are freely available at our local libraries to take out and get stuck into. Have a look on our website to find out more about our guests and their books.

The festival will take place across four locations (West Lane Baptist Church, the Old School Room, Parson's Field, and the cobbles outside the Museum), so do come on up to the Parsonage over the weekend to get in the festival spirit with us!

For more information, head to **bronte.org.uk/whats-on**.

## Slow braised rabbit in sherry

~Martin Lingard

If pushed, I'd say this is my favourite recipe to cook and eat. If you're squeamish about eating rabbit or have difficulty sourcing it, a jointed and skinned chicken can be substituted.

### Ingredients

- (Serves 4)
- 2 rabbits, skinned and jointed (or 1 large chicken, jointed and skinned)
- Sea salt
- Freshly ground black pepper
- 100ml olive oil
- 1 heaped teaspoon coriander seeds, toasted then lightly crushed
- 1 bulb of garlic, separated into peeled cloves
- 4 bay leaves
- 250ml dry sherry
- 500ml water
- 800g (two tins) of cannellini, haricot or butter beans, washed and drained
- 1 large bunch of flat leaf parsley, roughly chopped

### Method

Preheat your oven to 150C (140c if fan assisted)

Season your rabbit or chicken joints with sea salt and black pepper. Take a large heavy frying pan and fry your joints in batches in half the olive oil until lightly coloured and lob into a large oven proof pot with a lid. Add the coriander seeds, garlic cloves and bay leaves to the frying pan and gently fry until the garlic cloves are starting to colour. Pour in the sherry, turn up the heat and cook till it starts to bubble.

Now tip everything into your casserole over the meat joints. Add the water, beans and ¾ of the parsley to your casserole, place over the heat and bring to a gentle simmer, stirring to mix as you do so. Add your remaining olive oil, pop the lid on your casserole. Transfer to the middle of your oven and cook for 90 minutes or until your meat joints are tender. Add the remaining parsley and give everything one last stir and serve in bowls. I like to serve this with a green salad and some nice bread to mop up the sauce.

## Yorkshire Loft Ladders, Quality You Can Trust

These days most homeowners suffer from a lack of storage space. So many precious items that need to be kept - but where to store it all? That's where Yorkshire Loft Ladders come in. The company, based locally, offers homeowners the opportunity to maximise their storage space with a loft ladder, 50 sq ft of boarding and a light all fully fitted in less than a day from just £277 + VAT. But it's not just the affordability of the package the company offers that makes Yorkshire Loft Ladders stand out as manager Mark Hodson explains: 'Our watchwords are Quality, Integrity and Value. Quality in the materials that we use for all our installations and the fact that all our loft packages are fitted by time served tradesman so our customers are assured of the best job. Integrity in that we will turn up at the time we say and make sure the house is spotless when we leave, and Value in that we offer our services at a price people can afford. Our business relies on referrals and we get a huge

amount of our calls from people who have been referred to us by our existing customers - that simply wouldn't happen if we didn't adhere to our overriding principles.

At the end of the day the old adage that happy customers lead to more happy customers is true and we work hard to make that happen for every installation we carry out!

So, if you want to make use of your loft space, however big or small, call Warren on 0800 612 8359 and he'll be happy to pop round and give you a no obligation quote so you too can make use of your loft.
