## Merry Christmas

**H**ow are you doing with your Christmas shopping? Or are you a 'wait for the sales' sort of person? Small's of Keighley continue to deliver great value and interest into the new year with their vouchers, (see page 5 for more details); there is really no need to wait for the sales as there are plenty of bargains on offer now!

This month is packed with festive things to do and see. Turn to our community pages to find our listings on 24 & 25pp.

Spice things up with our classic cocktail, the Traditional Moscow Mule, on page 26. We have also put together several puzzles, brain teasers, and games to give you plenty to keep you entertained whilst you wait for your Christmas dinner to cook.

Wishing you comfort &

joy

Editor Liz Barker

Have a great month  
and a blessed 2020!

## Manorlands Christmas Tree Collection Service

Monday 6th - Sunday 12th January 2020

Nobody likes the hassle of getting rid of a Christmas Tree, so let us do the hard work for you in return for a donation! Once collected the trees get chipped by Keighley Tree Services and made into biofuel to be used as a renewable energy source for power stations.

To register your tree for collection go to [www.sue Ryder.org/christmastree](http://www.sue Ryder.org/christmastree) or call 01535 640430

**Ingredients**

- 250g raisins
- 250g currants
- 250g sultanas
- 125g candied peel
- 500g grated apple (peel and core)
- 500g brown sugar
- 250g grated butter or suet (I use butter)
- ½ tsp each ground nutmeg, cinnamon & ginger
- ¼ to ½ tsp ground cloves
- 250ml brandy

**Method**

Place all of the ingredients in a large bowl and mix well using a wooden spoon until the sugar has dissolved and the butter and apple are incorporated and evenly distributed through the mixture. For a finer mixture you can lightly pulse it in a food processor, but I like it just as it is. Fill the jars and refrigerate the Christmas Mince to use in your favourite Christmas Mince pie recipe.

This recipe makes about four medium jars of mince; plenty for all your mince pie needs, with maybe a jar or two to give away as gifts. This year, I chose to decorate my jars with homemade beeswax wraps. If you'd like to learn to make these wraps yourself, why not join one of the **Beeswax wrap workshops** taking place in Haworth at "Upstairs at Pennybank" on **7th and 14th December**. Visit the *Upstairs at Pennybank Facebook page* for more details or contact Tracey on 07742 983 608.

*Tracey and her hubby Paul recently moved to Haworth from Melbourne, Australia. When she is not working as a Strategic Change Consultant, you will find her cooking up a storm in her*

*kitchen and creating and decorating all sorts of delicious sweets and treats. Share your family favourite recipe with us. Email [mail@worthvalleymag.co.uk](mailto:mail@worthvalleymag.co.uk).*

**OUR FAMILY FAVOURITES**

Favourite family recipes from our friends and neighbours in the beautiful Worth and Aire Valleys. This month's recipe comes from Tracey Darley. Tracey and her husband Paul moved to Haworth recently having lived and travelled all over the world. According to Tracey, Haworth is her "Goldilocks" village: It's "just right" in almost every way.

**Auntie Barb's Christmas Mince**

One of my most precious childhood memories is doing Christmas baking in my Auntie Barb's farm kitchen. Mince pies were always a particular favourite, filled with her delicious homemade mince. This recipe is so simple to make that I never reach for a jar of the store bought variety! No matter where I am at Christmas time, this Christmas mince makes my mince pies taste like "home."

## Find 10 Differences (answers on p30)

**This Christmas, have a go at playing the 'Sock Guessing' game.**

The items needed are two socks, pencils and paper. Each sock is stuffed with 10-15 items that are used or seen during the Christmas season, for example, items like a roll of sellotape, a satsuma, decorations, a fork, etc. Each sock should have the same items and the opening should be tied with a ribbon so the contents inside aren't visible. The socks are then passed around for each person to try to feel and guess the items then write down what they think is in the sock. The person with the most correct guesses of objects is the winner!

Now that we are in December, I think it's acceptable to talk more openly about Santa! He joins us at the Keighley and Worth Valley Railway from the end of November right up to Christmas Eve, after which Father Christmas has a pressing commitment to get ready for the big day itself. We will welcome over 10,000 passengers to the Railway during the month of **Santa Specials** and it takes hundreds of volunteers to look after him and his Pixies, as well as set up the fantastic **Winter Wonderland** at Oxenhope. The trains will also be decorated for the festive season, as well the stations, and even if you have not booked for the Santa Specials trains, you can still enjoy the festive atmosphere right up until New Year's Day, because we reopen the Railway for the ever-popular **Mince Pie Specials**, which run from Boxing Day to New Year's Day. Full details of the remaining seats on the Santa Specials, as well as times and fares for the Mince Pie services are all available on the website.

Whilst Christmas is here and for many that means a break, running the Railway is a year-round endeavor, and whilst the trains don't run on Christmas Day itself, they start again on Boxing Day, as does the continuing effort to maintain and overhaul the increasingly elderly infrastructure, rolling stock and locomotives. Behind the scenes we have dozens of volunteers working away to restore the fleet and to work on the track, and you will often see members of the Civil gang - wearing high visibility bright orange clothing for their safety when working on the line - out and about across the Railway undertaking their various duties, whatever

the worst of the Yorkshire weather throws at them. A significant project that will take a huge amount of volunteer effort, as well as significant amounts of cash, is the planned replacement of one of the bridges on the line.

Seeing the festive passengers enjoying meeting Santa on board is fantastic, because it's a reminder to all of us who are part of the 700+ active volunteers of why we do what we do. Keeping such an important part of history alive, especially when it's appreciated by such young visitors who will never have experienced steam trains on the main line, makes it all so worthwhile. I do hope that we can welcome you on board soon, whether as a passenger or to our volunteer team. **There's details on the website on how to get involved as a volunteer, and if you are wanting to travel and you live in BD20/21.22, don't forget that you can benefit from a Local Resident's Railcard.**

**A Railcard is valid for one adult – the one whose name and photo appears on it. Each Adult can take with them up to 3 children aged 5 to 15 inclusive at around half the local resident adult fare.**

## BEHIND THE SCENES AT THE MUSEUM

**A big thank you from everyone at the Brontë Parsonage Museum...**

**We did it!** Thanks to the support of hundreds of people, including many residents of Haworth and the surrounding area, Charlotte's little book is coming home! We were very touched by everyone's generosity and messages of encouragement during the campaign. We received comments from people from all over the world, many who said how much they loved Haworth and had very fond memories of visiting, even if it was a very long time ago. Comments like those showed us that many people shared our conviction that Charlotte's little book should return to Haworth, and made us all the more determined to make that happen. There has been a flurry of renewed media interest in the Brontës and the Parsonage and we're looking forward to welcoming many new visitors in 2020. At the time of writing, the little book is still in Paris, but its papers (and passport!) are ready and we expect it to arrive in Haworth before the end of the year. As local residents will be aware, the Museum is closed for conservation work in January, but when we reopen on 1 February 2020, we hope to have this very special acquisition on display. Please keep an eye on our website ([www.bronte.org.uk](http://www.bronte.org.uk)) or social media channels for the latest news.

**We will be celebrating the bicentenary of Anne Brontë, author of *The Tenant of Wildfell Hall*, throughout 2020. Friday 17 January is the 200th anniversary of her birth, and although the historic part of the house will be closed for conservation work, we are pleased to be able to offer readers a complimentary sneak preview of our new Anne Brontë exhibition. Please pop along and help us celebrate Anne's bicentenary between 10am and 3.30pm.**

We're busy putting the final touches to our 2020 events programme and look forward to sharing details of this with you soon. In the meantime, we wish you all a very merry Christmas and a happy new year and look forward to welcoming you to the Museum in 2020.

LOCKSMITHS In House Securities Ltd

Transform your conservatory into a cosy living space

Millions of homes across the UK enjoy the added luxury of a conservatory, whether it's for entertaining, extra living space or simply enjoying the views of the garden. But older conservatories can come with drawbacks – more often than not they are too cold in the winter and too warm in the summer, meaning they are underused. But now that's all changing. UltraRoof380 is helping transform conservatories into beautiful, elegant spaces, complete with vaulted ceilings and full-length glass panels to let the light flood in. The roof has been developed specifically for owners wanting to reinvent a conservatory and turn it into a room that feels more like an extension. While conservatories bring in plenty of natural daylight, the UltraRoof380 provides the best of both worlds, allowing

“ It's given us back our favourite room of the house, now it's the room we've always wanted it to be. ”

Gary & Pam, Lancashire

Before After

you to design a room with a solid roof but also the ability to include glazed sections, giving you privacy yet still providing plenty of daylight. Developed using UltraTile, the lightweight tile system is as near to the real thing as you can get. Available in three realistic tile colours, the UltraRoof380 looks as good on the outside as the inside. There's also zero upheaval. Expert fitters from Ploughcroft will have your old roof removed and your UltraRoof380 installed in no time—all you need to do is sit back and watch your transformation.

So, if you want to revitalise your existing conservatory or add to your living space, call 01422 202 919 for more information or visit [www.ploughcroft.co.uk](http://www.ploughcroft.co.uk)

**YORKSHIRE LOFT LADDERS**

## Yorkshire Loft Ladders, Quality You Can Trust

These days most homeowners suffer from a lack of storage space. So many precious items that need to be kept - but where to store it all? That's where Yorkshire Loft Ladders come in. The company, based locally, offers homeowners the opportunity to maximise their storage space with a loft ladder, 50 sq ft of boarding and a light all fully fitted in less than a day from just £277 + VAT. But it's not just the affordability of the package the company offers that makes Yorkshire Loft Ladders stand out as manager Mark Hodson explains: 'Our watchwords are Quality, Integrity and Value. Quality in the materials that we use for all our installations and the fact that all our loft packages are fitted by time served tradesman so our customers are assured of the best job. Integrity in that we will turn up at the time we say and make sure the house is spotless when we leave, and Value in that we offer our services at a price people can afford. Our business relies on referrals and we get a huge amount of our calls from people who have been referred to us by our existing customers - that simply wouldn't happen if we didn't adhere to our overniding principles.

At the end of the day the old adage that happy customers lead to more happy customers is true and we work hard to make that happen for every installation we carry out!

So, if you want to make use of your loft space, however big or small, call Warren on 0800 612 8359 and he'll be happy to pop round and give you a no obligation quote so you too can make use of your loft.
