# STEAM & DIESEL by Matt Stroh, KWVR

in preservations and I doubt many will be repeated ever again. One of the reasons for this is that we are fortunate to have an air-braked steam locomotive in operation. Most steam loco's operate the brakes by means of creating a vacuum, whereas the national network has moved to compressed air-brake operation, and one of our steam locomotives can operate both, so we were able to pair it with one of the visitors to make for a very unusual double-headed service.

Star of the "Mixed Traffic" show was the prototype "high speed train", which was the forerunner of the kind of units that still run regularly through Keighley. The prototype, owned by the National Railway Museum and in the care of the 125 Group that has beautifully restored the unit to operational status, dates back to the 1970s. The 125 brought with it a rake of very comfortable and modern coaching stock, including an on-board kitchen and restaurant facility, which we put to good use with our passengers who enjoyed full breakfasts, lunches and afternoon teas whilst travelling in 1970s splendour. The popularity of the event demonstrated just how much interest there is in diesel traction.

It's been a fascinating few weeks on the Keighley & Worth Valley Railway. We have recently been supporting the 1940s weekend by helping to keep traffic away from Haworth village by providing a Park & Ride facility for visitors, and it was great to see passengers attired in their 1940s garb creating a fantastic atmosphere as they detrained at Haworth and boarded the fleet of vintage 'buses ferrying them up to the top of Main Street. The village owes a debt of gratitude to the very small 1940s weekend organising team for putting on such a great show!

At the beginning of May we took the Railway to a different era, when we welcomed a fleet of diesel locomotives dating from the 1960s and 70s as well as the modern day with one of the newest class 88 diesels in attendance. We ran the weekend as a "Mixed Traffic" event, so on the Sunday we ran steam alongside the diesel fleet, which made for some intriguing combinations, with many firsts

## BEHIND THE SCENES AT THE MUSEUM: Haworth Old School Room

Excitement is in the air this month! The Museum is steadily busy as the summer approaches, but we are also busy 'behind the scenes' as we prepare to open our new learning space in rooms at the back of Haworth Old School Room. Decorating is well underway and we hope to be up and running over the next few weeks.

Patrick Brontë was an advocate of the benefits of education for children, and campaigned to establish a school in Haworth. In summer 1831 he obtained a grant of £80 from the National School

Society towards the building of a Sunday School. The Brontë children were to each take turns as teachers in the Sunday School when it opened in 1832.

Charlotte was the first superintendent of the school when she was sixteen, and she also

judged the girls' needlework. According to the memoir of Benjamin Binns (son of the tailor), Anne 'looked the nicest and most serious' of the three sisters, and Branwell was notorious for his impatience. There are no reports of Emily's performance as a teacher, but given that she loathed teaching, it may be that she somehow managed to avoid this 'duty'.

At first, the curriculum was limited to Bible reading and the learning by rote of the Anglican liturgy and catechism, but it was soon recognised that schools needed to better equip children for work, and so in 1843, Patrick applied to the National Society for a grant to upgrade the Sunday

School to a weekday school with a modern curriculum and a full-time master. The new day school opened on 2nd January 1844. The school taught spelling, reading, English grammar, ancient and modern history, geography, writing, arithmetic, the Scriptures and singing: books, slates and pencils were provided, and each scholar paid 2d a week. The day school was very successful, attracting 160 scholars each week in the first year. Rand, the schoolmaster, married soon after coming to Haworth, and he and his wife extended classes into the

evenings to cater for child factory workers. Charlotte Brontë's future husband, Arthur Bell Nicholls, took over responsibility for the school in 1845 and in 1850, secured funding for an extension. In 1854, when Charlotte and Mr Nicholls

returned from their honeymoon in Ireland, they hosted afternoon tea in the building to around 500 people.

After Patrick's death in 1861, John Wade, the new incumbent, raised further funds, and the final extension was added in 1871. The school continued to provide education for Haworth children until 1896, when it was superseded by the Haworth Board Schools.

We are really grateful to The Brontë Spirit for helping us realise our vision of returning learning to the Old School Room and are looking forward to welcoming students of all ages from Yorkshire and beyond to the place where learning in Haworth began.

# Simply THE BEST

...Better than all the rest!

Holroyds are basking in their success following the recent ESTAS Awards where they scooped up six accolades and were notably named 'The BEST Estate Agent in Yorkshire' with a resounding endorsement from a highly satisfied customer base.

Holroyds is a family run business founded in August 2015 by local resident Julie Holroyd, son Chris and his partner, Lauren. There are three branch offices located respectively in Keighley, Bingley and Baildon. Holroyds' internal mantra is, 'Go above and beyond,' referring to meeting customer expectations; this attitude is serving them well. "We are in the people business," asserted Managing Director, Chris Holroyd. "We pay attention to details, and look after our clients every step of the way."

MD Chris Holroyd answers our questions:

**Q. How do you think Brexit will affect people in West Yorkshire selling their homes?**

**A.** That's the million dollar question right now isn't it! Looking at past experiences its clear that any political issue makes the housing market nervous. The main focus should be on interest rates for sellers and buyers, because if they continue to be low coupled with the fact employment rate is at a 40 year low then I feel prices may halt but sales will continue to do well over the next 12/18 months.

**Q. What makes Holroyds different from other agents in Yorkshire and why should our readers choose you?**

**A.** The biggest difference with Holroyds is our service, we ensure our clients are never left in the dark and our after sales team is award winning

due to keeping fall throughs at a minimum and getting the sales through quicker than other agents. This is where we show our value along with our unique marketing and proactive sale methods.

**Q. Do you have any top tips for someone selling their home?**

**A.** Its really key to have that "Kerb" appeal as soon as someone walks towards your front door, ensure your property is decluttered but don't forget the details: those fresh flowers, nice smells and freshly cut grass! A lot of people don't bother with those maintenance jobs also so get the snagging list done. Lastly I would always advise to keep your distance on viewings, let them freely wander around giving them the luxury of feeling what it might be like living in the space.

**B**ack in business after extensive internal work and ongoing refurbishment, The Old Silent, the beloved 16th century coaching inn with an intriguing history and an ambiance to match, is under new management.

Located less than two miles from Haworth in the village of Stanbury, The Old Silent Inn has been a favourite stopping ground for locals as well as visitors from afar for many years. Legend has it that

Bonnie Prince Charlie once took refuge here when the Inn was known as The Eagle. Locals kept silent and consequently the pub was renamed The Silent Inn. The building remains a talking point and a fascination to many who have written stories and dramas using the location as the setting for their imaginative tales.

Today this cosy country pub welcomes visitors with a smile. Landlord and business partners, Jo and Liam have over 30 years

experience in the hospitality sector. "We are determined to bring the amazing character of The Old Silent back to life again." confirmed Jo. "We are delighted to welcome families, walkers, dogs, special groups and clubs. And we are all ears to hear and understand what is important to our customers." There is

often a log fire crackling in the hearth, always traditional English food on the menu, hand pulled local ale and an extensive range of gin at the bar. Upstairs there are eight well appointed bedrooms, all en suite and newly decorated with a modern

tartan theme. The Snug has a sporting lodge feel to it and the dining room & bar remain in traditional gastro-pub character. "Autumn will see the function room take shape and we are already accepting bookings for weddings and Christmas parties."

It is still early days but significant changes are underfoot. It is certainly something to shout about. The Old Silent Inn is back in business.

# Rocky Road Chocolate Nice Cream

Serves 4-6

## INGREDIENTS

- 6 oz silken tofu (I love Clearspring)
- 1/2 tsp cocoa powder
- 3/4 cup semi-sweet chocolate chips (or your chocolate of choice)
- 1/2 tsp pure vanilla extract
- 2 1/2 tbsp of unrefined coconut oil
- Pinch of table salt
- 2 tbsp of maple syrup or sugar/sweetener of choice
- Handful of mini marshmallows
- Handful of chocolate chips
- Or any other toppings you fancy – dried cherries, chopped up biscuits, nuts etc.

## METHOD

Melt the chocolate and oil, either on the stove or in the microwave. Then whizz up everything in a blender until super-smooth. Add the mixture to ice-cube trays and freeze for 2-3 hours.

Once frozen, pop the cubes out of the trays and add to the blender. If you're not sure your blender can handle the cubes, allow them to melt a little before blending. Blend the cubes until a smooth ice-cream starts to form. You may need to scrape down the sides.

Then transfer the mixture to a large bowl, add your Rocky-road fillings, mix together and serve immediately.

Yorkshire born and bred, Amy Firth lives in the Worth Valley with her partner, 3 kids, Murphy the dog and several rescue hens. A life-long advocate for fairer food and farming, Amy is always in search of great veggie and vegan recipes which she shares on her Instagram page: @amy\_firth78

Apologies in advance if I jinx the weather by sharing this recipe! All the wall-to-wall blue skies and sunshine we've had recently have had me dreaming up ice cream recipes. I've tried and tested MANY (you're welcome!). But this is definitely my favourite.

A good blender is essential. We have a Vitamix - which I mocked my husband relentlessly for buying and now use more than him - but any high-powered blender will do. Add whatever toppings and goodies you like. We used vegan marshmallows and chocolate chips. Cobbles & Clay and Haworth Wholefoods on Haworth Main Street both have great selections of vegan sweets and treats.

**MAYBE IT'S JUST ME** by Beth Cunningham

Bali, Benidorm or Butlin's this year? Or are you with those of us in a class of our own - the day trippers?

How nice it is to get back to your own bed. Especially when it is cosily made up with flannelette sheets, even in the summer.

The last time I flew - in an aeroplane, not on my broomstick - I enjoyed a rare but, alas, brief moment of smugness. My flight was early. I had booked a night in a nearby hotel. All I had to do was stroll elegantly through the airport with neat hand baggage and looking rather Audrey Hepburn in my hat and new sunglasses.

But the security man was having a bad day. I will not describe the full horror of socks, pants and other personal items being plucked out of my case and thrown in the air - and on to the floor - as in a Tommy Cooper sketch.

Suffice to say that while other passengers breezed past snorting drugs, spraying aerosols and brandishing kitchen knives, I was given a going-over so thorough that I reached the departure gate as it was about to close and sank into my seat palpitating and resembling not Audrey Hepburn but Worzel Gummidge.

What rankled most was the confiscation of my tiny tin of a well-known brand of petroleum jelly. (Other, similar products are available - and I hope I am not destroying my feminine mystique by revealing this beauty secret.)

Not a great start to a city break - nervous prostration combined with chapped lips. But think of Mr Security's job satisfaction, having headed off a deranged

woman intent on breaking into the cockpit and moisturising the pilot to death.

On day trips, you are not obliged to take your shoes off, unless you want to paddle. And nobody interrogates you along the lines of: 'Let me see that Tupperware box. Packed those fish paste sandwiches yourself, did you?'

The worst that can happen - if you book on a coach trip alone - is that you find yourself sitting next to somebody extremely annoying. Possibly me.

Do not assume, because it is only one day, that you are safe from the attentions of those seeking holiday romance.

I was once pursued around Whitby harbour by a gentleman who, fortunately, was less nifty than me at getting up steps. I

remained true to my own flannelette sheets and fled through the famous whale bones before you could say Moby Dick.

I could still hear my would-be suitor's plaintive cry: 'I only wanted to buy you fish and chips in the Magpie.'

That's what they all say.

Beth Cunningham was brought up in Rawdon. She left Yorkshire to work for newspapers and magazines on Merseyside and in Wales, the Middle East and London, where she also wrote and performed stand-up comedy. She now lives in Haworth, is a life member of the Bronte Society and writes short stories.

**Central Spain - Roman Segovia**

This is an amazing tour to Central Spain to visit some of the most historical and formidable places imaginable, along with simply stunning scenery and sights.

Having travelled down to Plymouth we start the wonderful cruise out to Santander through the Plymouth Sound and passed the Breakwater Fort and the headlands of Rame and Westbury. Observing the Eddystone lighthouse as we sail by overnight to Spain.

Our line of route once docked in Santander is via the Besaya valley which is extremely picturesque passing over many deep ravines/valleys. A stop mid-way to savour local tradition and culture is always well received en - route to our destination of Segovia - a UNESCO World Heritage City. The history is immense and the setting is even better: Be it the ancient Roman 160 arch aqueduct linking the walls of Segovia is just an awesome feat of architecture likewise so is the gothic cathedral and its Castle in the skyline was Walt Disney's inspiration for Cinderella's Castle - so it is a true fairytale land!

We spend 7 nights (half board) at a central 4 star hotel which is just perfect in every way to enhance your holiday. A treat in store too to round off on our overnight cruise home - be vigilant to spot Whales, Dolphin and Porpoise, they

are abundant in the Spanish Waters. At day break you can focus on Brittany and Normandy, the Channel Islands, Isle of Wight and the Spit Head Forts before the final approach into picturesque Portsmouth harbour.

Not to be missed! We look forward to seeing you aboard if you are able to join us for this one-off tour.

**IS YOUR  
CONSERVATORY TOO  
HOT IN SUMMER AND  
TOO COLD IN WINTER?**

Transform your conservatory into a cosy living space

Millions of homes across the UK enjoy the added luxury of a conservatory, whether it's for entertaining, extra living space or simply

enjoying the views of the garden. But older conservatories can come with drawbacks – more often than not they are too cold in the winter and too warm in the summer, meaning they are underused. But now that's all changing. UltraRoof380 is helping transform conservatories into beautiful, elegant spaces, complete with vaulted ceilings and full-length glass panels to let the light flood in. The roof has been developed specifically for owners wanting to reinvent a conservatory and turn it into a room that feels more like an extension.

While conservatories bring in plenty of natural daylight, the UltraRoof380 provides the best of both worlds, allowing

**“ It's given us back our favourite room of the house, now it's the room we've always wanted it to be. ”**

Gary & Pam, Lancashire

**BRING IN THE LIGHT**  
You can choose from various glazing options and three colours of roof tile

you to design a room with a solid roof but also the ability to include glazed sections, giving you privacy yet still providing plenty of daylight. Developed using UltraTile, the lightweight tile system is as near to the real thing as you can get. Available in three realistic tile colours, the UltraRoof380 looks as good on the outside as the inside.

There's also zero upheaval. Expert fitters from Ploughcroft will have your old roof removed and your UltraRoof380 installed in no time—all you need to do is sit back and watch your transformation.

So, if you want to revitalise your existing conservatory or add to your living space, call 01422 202 919 for more information or visit [www.ploughcroft.co.uk](http://www.ploughcroft.co.uk)

## Don't suffer in silence. Help is at hand.

Aire, Wharfe and Craven Counselling was originally developed from a counselling service established within Keighley Women's Centre. Now it is a newly formed, local, community-based charity, offering one to one therapy in these localities. We believe everyone deserves to be supported to live well, despite adverse events or enduring mental ill-health. It is important that counselling is accessible and so we have recently moved to counselling rooms within The Cavendish Business Centre which offers good disabled access and is close to public transport and road links.

Our organisation has an open-door policy, which means individuals can refer themselves by contacting us either through our office or through email. Cost can be a barrier to accessing therapy and as a registered charity and we are committed to offering affordable low cost and accessible therapy. We are working closely with several local community-based projects and have secured the confidence of Keighley Town Council who have committed to supporting us through a grant award for the next 3 years.

Together with other grant awards we aim to address the mental health needs of the local community into the future by developing a range of other interventions. These include short courses run as workshops and group work dealing with issues such as confidence and communication and social inclusion. As our organisation is quality assured and adheres to the British Association for Counselling and Psychotherapy code of ethics, we hope that as people engage with us within community settings, we can increase the confidence of referring agencies, individuals and stake holders in our developing service. Our team of highly skilled staff and associate practitioners offer counselling related to issues including Anxiety, Depression Relationship issues, Work based stress and Life experiences both past and present which

have had a negative impact on well-being, in order that individuals can achieve their full potential. Listening to what each person feels is affecting them and providing a safe space to explore these issues is at the core of our counselling values. We look forward to a long association with the team at Cavendish Business Centre and with our new partners within the local community in order that we can provide an affordable accessible community counselling service, meeting the mental health needs of residents in the localities of Aire, Wharfe and Craven.

**YORKSHIRE LOFT LADDERS**

## Yorkshire Loft Ladders, Quality You Can Trust

These days most homeowners suffer from a lack of storage space. So many precious items that need to be kept - but where to store it all? That's where Yorkshire Loft Ladders come in. The company, based locally, offers homeowners the opportunity to maximise their storage space with a loft ladder, 50 sq ft of boarding and a light all fully fitted in less than a day from just £277 + VAT. But it's not just the affordability of the package the company offers that makes Yorkshire Loft Ladders stand out as manager Mark Hodson explains: 'Our watchwords are Quality, Integrity and Value. Quality in the materials that we use for all our installations and the fact that all our loft packages are fitted by time served tradesman so our customers are assured of the best job. Integrity in that we will turn up at the time we say and make sure the house is spotless when we leave, and Value in that we offer our services at a price people can afford. Our business relies on referrals and we get a huge

amount of our calls from people who have been referred to us by our existing customers - that simply wouldn't happen if we didn't adhere to our overniding principles.

At the end of the day the old adage that happy customers lead to more happy customers is true and we work hard to make that happen for every installation we carry out!

So, if you want to make use of your loft space, however big or small, call **Warren on 0800 612 8359** and he'll be happy to pop round and give you a no obligation quote so you too can make use of your loft.
