October in Yorkshire is a subtle shift into quieter rhythms. The mornings hold a chill that makes lighting the fire a ritual of comfort, and woolen sweaters once stored away feel familiar again. Woodland paths invite slower, reflective walks, where conkers and penny buns hide among fallen leaves. Kitchens fill with the earthy scent of stews, (Martin has shared his favourite oxtail stew recipe on p25 and Graham Eyes is offering a £10 voucher on p11). The old superstition about avoiding hedgerow blackberries after September 29th adds a touch of intrigue to this season; I take my chances and inspect the fruit with care before assembling the Sunday crumble. There's a quiet satisfaction in making early festive preparations, and getting jobs done that have been on the 'to do' list. I hope you find your autumnal groove and have a great month.

Denture Problems Look no further...

Who are we?

**Our Keighley
Denture Expert is
Matthew Varley
(Dip CDT RCS)**

Matthew Varley is the partner and Managing Director of My Denture

Clinics, here he works as a Clinical Dental Technician (Dip CDT RCS).

Matt was born and raised in Pudsey, where he met his wife Angela Varley at school. They have 2 sons; Ray and Austin, he hopes one day they will follow him into the dental profession and share in his passion for dentistry.

Within his 23 years of experience, Matt has changed the lives and smiles of many, some of which are during one day implant immediate loading cases, and same day smiles, which he specialises in. The regular accolades received from clients and patients alike are testament to his passion for his work. Matt has a keen eye for detail and endeavours to provide the best care possible. Matthew completed his dental technology qualification at Leeds Dental institute, he finished first in his class achieving distinctions throughout and was awarded overall best student and the acclaimed technical achievement award.

Matthew Varley started his journey as a Registered Dental Technician (RDT), however after 23 years experience working as a RDT in highly acclaimed laboratories, Matt made the decision in 2018 to set up his own business alongside fellow business partner Joseph O'Reilly.

Matt also returned to university to further his dental knowledge and become a Clinical Dental Technician, receiving the prestigious royal college of surgeons (Dip CDT RCS).

How can we help you?

Technology has moved on massively over the last few years as far as dentures are concerned. The fact is, **you don't have to suffer badly designed or ill fitting dentures anymore.**

However, replacing your teeth is more than trusting someone with your smile. Your appearance and the way people perceive you is also at stake.

Matt creates dentures which can offer the dual effect of restoring your smile and correcting the proportions of your face.

He can add volume to your lower face and upper lip region to achieve a more natural, youthful look. Everyone is different, so your dentures are influenced by your age, personality and gender to ensure they look perfectly natural. Matt will discuss your individual needs and the best choices available before providing you with the information you require to determine what is right for you.

The smallest alteration can make the biggest change and Matt is committed to providing the highest level of care, quality materials and the latest digital technology to achieve the best results for you.

Matt's ambition is also his craft, creating lifelike smiles through dentures and implant supported prosthesis.

Everybody has the right to smile!

*Would you like to be more confident?
Do you suffer from denture discomfort?
Loose or ill-fitting dentures?
Afraid to smile?*

With our clinical denture expert Matthew Varley, who has restored thousands of smiles - you're sure to feel more confident and be you again.

From Frustration to Clarity

One of our lovely transformation cases. Patient LS struggled for years. Aesthetics were compromised along with facial support looking very strained. With our Diamond range of dentures, aesthetics were restored with full facial support in the correct position.

*"I have finally got my confidence back,
I never imagined I could smile like this.
Thank you My Denture Clinic"*

WORTH VALLEY

Ordinarily, at this time of year, we get to enjoy a bit of calm between the rigours of running seven days per week and before we enter our Autumn events programme. However, this year has been very different because we have been working on our most ambitious civil engineering project since we reopened the branch line back in 1968, with the replacement of "Bridge 27". The Bridge takes the main line across Bridgehouse Beck at Haworth, which is critical to the operation of the Railway. The work involved removing the old bridge and the abutment under it and then craning the new bridge into place. Our sincerest thanks to Wydean Weaving for permitting us to use their car park for the lifting operation and to the local residents during the project, particularly when roads had to be closed whilst the crane and bridge structure made their way through the village. Regarding funding, we are very grateful to the Government's Community Ownership Fund's award of £1m toward the work and to the Friends of the Keighley & Worth Valley Railway for a grant supporting the replacement. There has been a team of volunteers working for months and months on the preparation and planning for replacement, and you will have seen them hard at work in recent weeks whilst the replacement work has been ongoing. The meticulous planning was proven so worthwhile when the bridge was lifted into place on time and budget, exactly in accordance with the plan, thanks to the leadership of our Chief Civil Engineer, James Barlow. It's been a mighty team effort that helped secure the future of the railway thanks to this investment.

After all that, you might think we deserve a break... but it's only a matter of weeks until our ever-popular Beer & Music Festival that runs from 17th-20th October. This year, we are thrilled to announce a series of Halloween-themed events with the Spooky Express from the 29th to the 31st of October and the full-on Scare Train on the evening of the 31st of October. We can't wait to share these thrilling experiences with you. Ride with us if you dare...

Another new event is an Autumn Steam Up, 4th-6th October, when we welcome a visiting engine to the line to help us celebrate the success of the bridge replacement project and help make up for the few weekends during the work when we were unable to run a steam-hauled service.

I can't forget Christmas... Our Elf Explorer and Festive Flyer services are proving very popular, so please visit the website to book your tickets to avoid disappointment. Also, check out our brand new event, 'A Christmas Carol'!

I am incredibly proud of what we have achieved with the replacement of Bridge 27, and I do hope that you will join us on board soon to recognise the success of the project team.

~ **Matt Stroh**

Keighley & Worth Valley Railway Chairman

Wills: Don't put it off!

We don't like to think about wills and death, and we don't like to talk about it to our parents or our children either, but these are conversations that you might need to think about.

Musician Bob Marley died in 1981. He had not made a will. His £20 million estate was claimed by 11-13 children, his widow, members of the Wailers, grandchildren, and business associates. It was finally settled in 2014!

Our lives might not be as complicated as a rock star, but we may have Granny living on her own, and we may have grandchildren around the corner. We might have a new relationship, and there could be children from an earlier marriage. **It is important to think about what you want to happen, and take steps to make it happen.**

- You might want to make sure that all your children get a share ~ *make a will*
- You might want to make sure that your new partner is looked after ~ *make a will*
- You might want to mitigate the impact of care fees ~ *make a will*
- You might want to remember friends and charities ~ *make a will*
- You might want to save tax ~ *make a will*

And we can also talk to you about **Powers of Attorney**. If you were unable to look after your own affairs, who would you trust with your bank account? If you don't choose, it might end up being the brother whom you haven't seen for twenty years. And we can also talk about **Deeds of Variation**. Imagine you are going to inherit some cash from your father, but you don't really need it, and you would rather help your granddaughter who is about to go to university. You can make a Deed of Variation, so that the money goes straight to her, and doesn't cause you any tax complications at all. Come and see us if you want a fresh and expert look at your wills. We will listen to you, and make sure your wishes are met.

Oxtail Stew
~by Martin Lingard

As the nights are drawing in, this dish is real autumnal comfort food. If you find oxtail difficult to source or are put off by the bones, substitute beef shin or stewing steak. If you do this, it's important it's in thick slices rather than diced. At least one of the big three national supermarkets in Keighley regularly sells oxtail, as do a lot of the local farm shops. It's very good value. This takes a few hours to simmer and is best cooked the night before eating.

- Ingredients** (serves 4)
- 2 oxtails, jointed (about 1.5kg if buying pre jointed) or 1kg beef shin OR stewing steak
 - Salt
 - Black pepper
 - 2 heaped tablespoons of plain flour,
 - 4 tablespoons of sunflower oil
 - 4 garlic cloves, sliced
 - 1 large onion, roughly chopped
 - 2 large carrots, sliced
 - 2 leeks, sliced
 - 2 celery sticks, sliced
 - 1 litre beef stock (a couple of stock cubes dissolved in hot water is fine)
 - 2 bay leaves
 - Small bunch of thyme
 - Small bunch of parsley

Method

Season the oxtail pieces or beef slices well with salt and black pepper then coat with the flour. This is best done by tipping the flour into a large bowl, lobbing the beef into the bowl and giving it a good old mix with your hands. Put half your oil in a large stovetop casserole dish and place on a high heat. When hot, fry the oxtail

pieces in batches until well browned, remove onto a clean plate and repeat until all your pieces are browned. Add the rest of the oil and chuck in the garlic, onions, carrots, celery and leeks. Lower the heat and fry until the vegetables are softening and browning, stirring frequently. Now tip in the flour you have left from coating your beef and stir well to mix before gradually pouring in your beef stock, stirring as you go. Bring the liquid to the boil then reduce to a gentle simmer before gently returning your beef to the pot. Add the herbs and season with salt and pepper to taste. Cover with a well fitting lid and cook very gently on the lowest heat possible for 3 hours. If cooking the night before, after 3 hours turn off the heat then leave to cool before covering and refrigerating. Remove the layer of fat before reheating gently back to a slow simmer. Now carefully remove the pieces of meat to a clean bowl with a slotted spoon, remove the herbs and discard. Now using a hand blender (or a potato masher!) blend the sauce until it becomes a thick, uniform gravy or sauce. Return the meat to the pot to heat through before serving. I like to serve this with plain boiled potatoes and kale or savoy cabbage.

Windows That Last:

Why Keighley Trusts David Brunskill Windows Ltd

Since our beginnings in June 1995 in a humble garage on Marley Street, Keighley, **David Brunskill Windows Ltd** has grown into one of the most trusted names in the community. Starting out by manufacturing PVCu windows, doors, and conservatories during the day, and installing them on an evening, our dedication to quality and customer service has always been at the heart of our business.

As our reputation grew, so did we. Moving to larger premises on South Street and eventually settling back on Marley Street, our current location is now a familiar and trusted fixture in Keighley. With a team of 27 permanent staff – no subcontractors – we ensure consistent quality in every project.

What We Do

We specialize in manufacturing and installing **Veka PVCu products** in a variety of on-trend colors. Where once we offered just white and brown, today we provide a full palette including 'RAL' greys, cream, black, Chartwell Green, and, of course, the ever-popular white.

Additionally, we are a proud and trusted installer of **Rock Doors**, which are renowned for their superior quality.

Unlike cheaper alternatives, Rock Doors use S Glaze, offering a sleek and durable finish. When it comes to fascias and soffits, our experienced team ensures every installation is done with care, using traditional scaffolding for safety and compliance with health and safety regulations. Most of our products come with a 10-year guarantee, covered by an insurance backed guarantee, ensuring you have complete peace of mind with every purchase.

Our Commitment to You

At David Brunskill Windows Ltd, we value our community and our customers. We focus on local advertising, and much of our business comes from word-of-mouth referrals and repeat customers – a testament to the trust we've built over nearly three decades.

Our support for local clubs and events like the Keighley Rugby Union, Bronte Gathering, and Keighley Show is our way of giving back to the community that has supported us throughout the years. As we enter our 29th year of trading, we remain committed to serving our customers with the same dedication that has seen us grow from a small garage to one of Keighley's most reliable and respected window specialists.

Whether you're looking for a simple upgrade, a full renovation, or new build project, you can count on David Brunskill Windows Ltd to deliver quality, craftsmanship, and care.

With us, you're in safe hands.

~David Brunskill Windows Ltd.

BEHIND THE SCENES AT THE MUSEUM

After the busy summer period, school holidays, and the Brontë Festival of Women's Writing, here at the Museum we can hardly believe how quickly autumn has come around! This is a season Haworth wears well. The fiery leaves bordering the cobbles and churchyard... the bright, autumnal decorations popping up in windows along Main Street... and the wuthering weather which brings the moors to life.

Traditionally, this is the time of year when we begin to hunker down. As the nights drew in, generations gone by would while away colder, darker evenings with storytelling and music – and it's this spirit that we're bringing to the Parsonage over October half-term.

We're welcoming our **Storyteller in Residence, Sophia Hatfield**, back to the Servants' Room on **Thursday 31 October**. Along with her violin, accordion, and assortment of household props, Sophia will transport you to a time of boggarts, witches, and trickster fairies, drawing inspiration from the folktales the Brontës were told as children.

Things will get atmospheric in the churchyard on **Friday 1 November**, when our expert guide, Stuart, will let you in on a few **secrets of Haworth's past**. Local beliefs, customs, and stories all played a part in bringing communities together in these cooler months, so join us to get in the autumnal mood. Throughout the week, we'll also have **activities, trails, and crafting**

for children (and adults!) in and around the Museum. It's part of the **Bradford Family Learning Festival**, taking place across half-term all over the district. Take a look at itsoninbradford.co.uk to see what else is happening nearby. **Local residents always enjoy concessionary prices on Museum tickets – and children 11 and under go free!** Once you have your ticket, it's valid for a whole 12 months, giving you access to all our 'free with entry' activities and talks throughout the year. Keep an eye on our website – bronte.org.uk – for more information, dates, and times. We hope to see you here to welcome in the new season!

The Friends of East Riddlesden Hall (ERH)

Do you want to be part of a friendly local group?

About us: The Friends of East Riddlesden Hall (ERH), an official National Trust Supporter Group for 40 years, are a group of people, mostly volunteers and local residents. Over the years we have provided or help fund – many items i.e. playground equipment; picnic tables; Bird Hide; historical costumes; 'living' fires; stair carpet; Oak Benches; and Saxon Cross, Bailey Family

funds for East Riddlesden Hall. Membership is £15 for the whole year – Speaker Meetings are free to members: £6 to non-members. There are refreshments - tea/coffee and homemade biscuits plus a raffle. NB: The Social, and meals out, are extra. For more details, please contact the Secretary on 0771 373 3516 or pop to ERH and collected a Membership Registration Form in the shop.

and 'Story Board' interpretations. We meet once a month in the winter in the Airedale Barn at ERH for Speaker Meetings* in November, February, March, usually on a Thursday at 2 pm; and a meal out in October and January. We have an annual Social in April. Our purpose is to have fun while raising

YORKSHIRE
LOFT LADDERS

Yorkshire Loft Ladders, Quality You Can Trust

These days most homeowners suffer from a lack of storage space. So many precious items that need to be kept - but where to store it all? That's where Yorkshire Loft Ladders come in. The company, based locally, offers homeowners the opportunity to maximise their storage space with a loft ladder, 50 sq ft of boarding and a light all fully fitted in less than a day from just £277 + VAT. But it's not just the affordability of the package the company offers that makes Yorkshire Loft Ladders stand out as manager Mark Hodson explains: 'Our watchwords are Quality, Integrity and Value. Quality in the materials that we use for all our installations and the fact that all our loft packages are fitted by time served tradesman so our customers are assured of the best job. Integrity in that we will turn up at the time we say and make sure the house is spotless when we leave, and Value in that we offer our services at a price people can afford. Our business relies on referrals and we get a huge

amount of our calls from people who have been referred to us by our existing customers - that simply wouldn't happen if we didn't adhere to our overriding principles.

At the end of the day the old adage that happy customers lead to more happy customers is true and we work hard to make that happen for every installation we carry out!

So, if you want to make use of your loft space, however big or small, call Warren on 0800 612 8359 and he'll be happy to pop round and give you a no obligation quote so you too can make use of your loft.

Say you saw it in the Worth Valley Mag!
