We're fortunate to live in a part of the country that usually receives its fair share of rain, something we might even take for granted at times. But as we enjoy this spell of fair weather and an unusually long dry spell (hosepipe bans included!), we can be sure the rain will return before too long.

In the meantime, let's make the most of the last of the summer sun - soak it up, enjoy time outside with friends, and linger in the long evenings while they last. September always brings a shift in pace: children head back to school, grandparents resume their supportive roles, and life begins to adjust to the rhythm of a new season.

I've already ordered my logs in anticipation of crisp nights ahead, and this is the perfect time of year to finish off weatherproofing or outdoor jobs.

You'll find a range of trusted local tradespeople in these pages to help with whatever needs doing. By choosing them, you're not only keeping your home in good shape but also helping to support our local economy- thank you for that. Have a lovely September!

Hello from Cross Roads Parish Council.

Cross Roads – A Village That Cares.

Did you know that the heart of local decision-making beats right here in Cross Roads? Whether it's updating our street signs, improving green spaces, or giving a voice to local concerns, Cross Roads Parish Council is working hard to make a real difference in our community.

We're a small but passionate team of residents who care deeply about our village and want to help shape its future. Our work is all about making Cross Roads an even better place to live, work, and visit.

Parish Councils are the first tier of local government – the one closest to the community. We're not political – we volunteer our time, and we're here to listen and act on your behalf. We want to be open, accessible, and connected to you.

So, why not get involved? There are lots of ways to keep up to date with what we're doing:

Visit our website: <https://cross-roadsparishcouncil.gov.uk> – where you'll find meeting agendas and minutes, and information.

Follow us on Facebook: Cross Roads Parish Council – for regular updates.

Come to a meeting: **We meet on the third Wednesday of every month** (except August) at St James Church Hall, Albion Street. **Everyone is welcome** – please just come along.

The meetings start at 7.00pm. It's a great way to hear first-hand what's happening in Cross Roads.

Our current Parish Councillors are:

- | | |
|---------------------------|--------------------------------|
| • Cllr Tito Arana (Chair) | Cllr Sarah Cotton (Vice-Chair) |
| • Cllr Peter Clarke | Cllr David Robertshaw |
| • Cllr David Senior | Cllr Beverly Underwood |

Each of us is proud to represent you and to play our part in local life. But we don't do it alone.

We're supported by a small but vital team. Mags Smith, who served as our Parish Clerk for the past two years, recently retired. Her dedication, organisation and guidance have been key to getting our Council up and running – thank you, Mags, for everything.

We're delighted to welcome Jill Davis, who joined us as Clerk in June. Jill's hit the ground running.

And let's not forget Paula Armitage, who quietly and efficiently manages our public toilets – an essential but often unsung role. Thank you, Paula, for all that you do behind the scenes to keep things running smoothly.

We also want to thank the many residents, volunteers and community groups who support our events and keep the spirit of Cross Roads alive.

Get involved, stay informed – and let's build a brighter future together.

A lovely scenic drive out of the worth valley towards Hebden Bridge will bring you to the charming Robin Hood Inn, a traditional 17th Century Coaching Inn renowned for its friendly atmosphere and great pub food. However, the recent road closure at Keepers lodge, Oxenhope has caused trouble at the inn as many of the customers from the worth valley were not able to gain access.

Landlord Matthew Browne said, "We have certainly had to tighten our belts, we knew it would affect us but we could not have imagined the scale; luckily since the road re-opened, we have seen trade return to a normal level. It just goes to show how lucky we are to have so many customers visiting us from the Worth Valley. We feel they are right to do so as it's a lovely drive over and it's probably up there with one of the most scenic and peaceful bus journeys you could find yourself on, I personally like walking the hills to Haworth and getting the bus back to the Robin and there are a few of our customers which do the same but in the other direction."

The Robin Hood serves food 12-9 Everyday has a large car park and great outdoor

seating with panoramic views across the moors, where on a nice day you can see the majestic Stoodley pike in the distance. In the cooler months two traditional fireplaces roar and the stone walls along with other traditional pub features bring the true authentic feel. If you are a fan of Real ale the Robin hood is included in the 2025 CAMRA Good beer guide. Along with other beverages they also serve Lucky Saint alcohol free larger on draught for the drivers or simply those who like the option. Owners Matt and Sally took over the free house in November 2021 having previously ran The Stubbing Wharf in Hebden Bridge between 2007-2021. Matt took his culinary skills with him to the kitchen at The Robin which boasts a large traditional pub menu featuring many traditional classics as well as a regularly changing specials board for those wanting something a little different. If you wish to take the scenic journey to The Robin Hood you can book via the telephone or online to secure your table, however you are also more than welcome to just turn up.

It's been a busy and exciting summer here at Marsh Top Farm and we wanted to share a little update with our lovely local community. We've recently welcomed two stunning Highland steers to the farm. With their shaggy coats and majestic horns, they're settling in beautifully and are currently enjoying life in the goat field. If you're passing by, feel free to pop over and say hello – they love the attention.

Alongside them, we've added some more friendly faces to the farm family: three alpacas, five bunnies, two budgies, and a bunch of runner ducks now call our place home. We've also got chicken eggs under the heat lamp, so fingers crossed for some fluffy arrivals very soon. Our cattle have been loving the sunshine, happily grazing the fields of the Worth Valley. If you've been out walking nearby, you may have spotted them roaming contentedly – they're hard to miss.

In the veg patch, we're growing courgettes, cucamelons, and pumpkins, all coming along nicely thanks to the good weather and a little bit of love.

Whether you're stopping by the shop, visiting the animals, or just passing through, we're always glad to see you. Until next time ~ thank you for supporting your local farm.

Did you say, "What's a cucamelon?"

A **cucamelon** (also known as Mexican sour gherkin, mouse melon, or by its scientific name *Melothria scabra*) is a small, grape-sized fruit that looks like a tiny watermelon but tastes like a tangy cucumber.

Key Features:

Appearance: Looks like a miniature watermelon (about the size of a grape).

Taste: Crisp and refreshing, like a cucumber with a hint of citrus or sourness.

Texture: Crunchy skin with a juicy interior.

Growth: Grows on a vine similar to cucumbers and melons, and is native to Central America.

Botanical family: It's in the cucumber family (Cucurbitaceae), but it's not a hybrid; it's a distinct species.

How to Use: Can be eaten raw as a snack. Great in salads, pickled, or added to cocktails for a fun twist.

This summer has been one to remember on the Keighley & Worth Valley Railway. From daily steam services through the valley to the sell-out success of The Railway Children theatre production, staged with Bradford 2025 and York Theatre Royal, we've welcomed thousands of visitors to share in the magic of steam, storytelling and Yorkshire heritage.

It was a joy to see Oxenhope Station and the railway alive with theatre, steam, and smiles. The response has been overwhelming, and we are so proud to have brought this much-loved story back to the valley where the classic 1970 film was made.

But there's no time to slow down — we're steaming ahead into an exciting calendar of autumn and winter events:

Beer & Music Festival — Our famous five-mile-long festival returns this October, bringing real ale, live music and a unique atmosphere across the line.

A Christmas Carol — Step into the festive season with a special theatre production of Dickens' timeless tale, performed in atmospheric surroundings.

The Elf Explorer — Our Magical Christmas Adventure returns as we celebrate 60 years of festive steam journeys with Father Christmas. This family favourite continues to be one of the highlights of our year.

As always, none of this would be possible without our dedicated volunteers and staff, whose passion and hard work keep the railway running and our history alive.

We look forward to welcoming you aboard as we steam towards the end of a very special year for the Worth Valley.

Who are we?

**Our Keighley
Denture Expert is

Matthew Varley is the partner and Managing Director of My Denture

Clinics, here he works as a Clinical Dental Technician (Dip CDT RCS).

Matt was born and raised in Pudsey, where he met his wife Angela Varley at school. They have 2 sons; Ray and Austin, he hopes one day they will follow him into the dental profession and share in his passion for dentistry.

Within his 23 years of experience, Matt has changed the lives and smiles of many, some of which are during one day implant immediate loading cases, and same day smiles, which he specialises in. The regular accolades received from clients and patients alike are testament to his passion for his work. Matt has a keen eye for detail and endeavours to provide the best care possible. Matthew completed his dental technology qualification at Leeds Dental Institute, he finished first in his class achieving distinctions throughout and was awarded overall best student and the acclaimed technical achievement award.

Matthew Varley started his journey as a Registered Dental Technician (RDT), however after 23 years experience working as a RDT in highly acclaimed laboratories, Matt made the decision in 2018 to set up his own business alongside fellow business partner Joseph O'Reilly.

Matt also returned to university to further his dental knowledge and become a Clinical Dental Technician, receiving the prestigious royal college of surgeons (Dip CDT RCS).

How can we help you?

Technology has moved on massively over the last few years as far as dentures are concerned. The fact is, **you don't have to suffer badly designed or ill fitting dentures anymore.**

However, replacing your teeth is more than trusting someone with your smile. Your appearance and the way people perceive you is also at stake.

Matt creates dentures which can offer the dual effect of restoring your smile and correcting the proportions of your face.

He can add volume to your lower face and upper lip region to achieve a more natural, youthful look. Everyone is different, so your dentures are influenced by your age, personality and gender to ensure they look perfectly natural. Matt will discuss your individual needs and the best choices available before providing you with the information you require to determine what is right for you.

The smallest alteration can make the biggest change and Matt is committed to providing the highest level of care, quality materials and the latest digital technology to achieve the best results for you.

Matt's ambition is also his craft, creating lifelike smiles through dentures and implant supported prosthesis.

**Everybody has
the right to smile!**

BEHIND THE SCENES AT THE MUSEUM

The Brontë Parsonage Museum Director, Rebecca Yorke, and Principal Curator, Ann Dinsdale, delighted to display the rare portrait of Emily Brontë.

August was an incredibly exciting month at the Brontë Parsonage Museum. We were delighted to partner with the National Portrait Gallery to temporarily bring home one of the only surviving likenesses of Emily Brontë, painted by her brother Branwell. The portrait was originally a part of Branwell's 'Gun Group' portrait, painted when the artist was around seventeen years old. Ann Dinsdale, Principal Curator of the Brontë Parsonage Museum, shares more about the portrait's history here:

'This fragment of a painting by Branwell Brontë is a significant work as it features a rare depiction of his sister Emily Brontë. The complete painting, which originally included Charlotte, Anne and Branwell himself, was inherited by Charlotte's widower, Arthur Bell Nicholls. Nicholls didn't believe the other three portraits were good likenesses, so he tore out this fragment, which is believed to be Emily Brontë, and destroyed the rest. The fragment was found on top of a cupboard years later, along with the famous Pillar Portrait, which is the only surviving

artwork of the three sisters together.'

The portrait was unveiled to the public on Friday 1 August, and on Saturday 2 August we saw one of our busiest days of the year with visitors flocking to view the famous painting.

This very special loan will be on display at the Brontë Parsonage Museum until 31 October 2025.

The excitement continues on into September, as we host this year's **Brontë Women's Writing Festival**. We'll be hosting big names like Tracy Chevalier, Holly Ringland, Jennie Godfrey, and loads more as we celebrate northern writers and stories.

We're also thrilled to welcome Oscar-winning writer and actress Emerald Fennell, who will be opening this year's festival at our sold-out launch event. Emerald will be discussing her hotly-anticipated *Wuthering Heights* adaptation, coming to cinemas next year!

Remember, local residents get discounted entry to the Brontë Parsonage Museum, and free entry to our monthly Thursday Talks!

On **Thursday 18 September** you can come along and find out all about the behind the scenes work that keeps the Museum running day to day. From preparing the house each morning and handling precious Brontë items, to speaking with visitors who've travelled the world to be here – the team will share the behind-the-scenes reality of museum life, along with their favourite objects and stories from the Parsonage.

Find out more about all of our amazing events at bronte.org.uk, or by calling 01535 642323.

Baked Marrow Spanish Style

by Martin Lingard

Marrows are cheap and plentiful this time of year but a lot of people don't know how to make the best of them. If you can't find a marrow, three large courgettes will also work. For a vegetarian alternative, omit the chorizo and add a tin of chickpeas. I like to serve this with thick slices of crusty bread to mop up the sauce. This will serve six people.

Ingredients

- 1 marrow (or 3 large courgettes)
- 2 tablespoons of olive oil
- 1 chorizo – your choice of hot or sweet-skinned and roughly chopped
- 1 large onion, chopped
- 3 garlic cloves, finely chopped
- 2 teaspoons of smoked paprika (sweet or hot or a combination to your taste)
- 2 teaspoons dried oregano or marjoram
- 2 red peppers, de-seeded and chopped
- 2 x 400g tins of plum tomatoes
- 1 small bunch of parsley, chopped
- 75g panko breadcrumbs
- 75g Manchego cheese, grated
- Salt & Black pepper

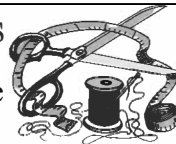

Method

Slice the marrow in half lengthways and scoop out the seeds and stringy bits. Place side by side, cut side up in a large roasting tin, sprinkle the flesh with salt and set to one side. Preheat your oven to 200C. Warm the olive oil in a large saucepan over a medium heat for a few minutes then chuck

in your chorizo and stir for a minute or so until the oil starts to colour, now tip in your garlic, stir a couple of times before adding the onion. Lower the heat and cook until the onion is soft. Stirring occasionally. Now add your paprika, oregano and chopped peppers, stir for a couple of minutes then tip in the tomatoes. Bring to a gentle simmer and cook for 20 minutes, stirring occasionally. Finally, add the parsley, stir to mix and season to taste with salt and black pepper and remove from the heat. While you've been busy cooking your sauce, the salt on your marrow will have drawn out some liquid, wipe this away with a wad of kitchen paper. Tip your sauce into the marrow halves (or over the courgettes if that is what you are using), cover with tinfoil or baking parchment and place on a high shelf in the oven for 30- 40 minutes depending on the size of your marrow. Test to see if the flesh is tender with a pointed knife, there should be no resistance. Whilst your marrow is baking, mix the breadcrumbs with the grated cheese in a small bowl. When your marrow is tender, discard the foil, sprinkle over the cheesy breadcrumbs, and return to the oven for 10 minutes until the topping is turning golden brown. If using marrows, you don't have to eat the skin; it is edible but I find it can be tough.

Yorkshire Loft Ladders, Quality You Can Trust

These days most homeowners suffer from a lack of storage space. So many precious items that need to be kept - but where to store it all? That's where Yorkshire Loft Ladders come in. The company, based locally, offers homeowners the opportunity to maximise their storage space with a loft ladder, 50 sq ft of boarding and a light all fully fitted in less than a day from just £277 + VAT. But it's not just the affordability of the package the company offers that makes Yorkshire Loft Ladders stand out as manager Mark Hodson explains: 'Our watchwords are Quality, Integrity and Value. Quality in the materials that we use for all our installations and the fact that all our loft packages are fitted by time served tradesman so our customers are assured of the best job. Integrity in that we will turn up at the time we say and make sure the house is spotless when we leave, and Value in that we offer our services at a price people can afford. Our business relies on referrals and we get a huge

amount of our calls from people who have been referred to us by our existing customers - that simply wouldn't happen if we didn't adhere to our overriding principles.

At the end of the day the old adage that happy customers lead to more happy customers is true and we work hard to make that happen for every installation we carry out!

So, if you want to make use of your loft space, however big or small, call Warren on 0800 612 8359

and he'll be happy to pop round and give you a no obligation quote so you too can make use of your loft.
